

Coming in 2017...
The Kimberley

AWAKEN

YOUR SENSE OF WONDER

Enjoy a 10 night Expedition voyage in the Kimberley accompanied by our professional Expedition team with more than 50 years of Kimberley experience. Your cruise will be enhanced by daily Zodiac outings, amazing shore visits, fascinating lectures and valuable insight into the region's culture, history and wildlife. From Darwin, set sail to this wild land of ancient rock art and billions of years-old landscapes comprising spectacular gorges, desolate mountains and magnificent waterfalls. You will hear stories of the dreamtime from the oldest continuous culture on the planet and explore pristine mangrove environments, home to the world's largest living reptile, the crocodile. Further, witness unique tidal phenomena such as the Horizontal Falls and encounter the world's largest population of migrating humpback whales.

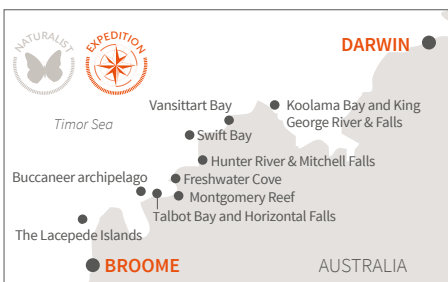

On board *L'Austral*, 132 staterooms & suites, 95% with private balcony, enjoy a dip in the pool, unique comfort & service, facilities of a 5-star yacht, Open Bar included, sophisticated cuisine and fine wine. You will also travel on the youngest and the most environmentally sustainable vessel in the Kimberley region, certified "Green ship".
